### Synopsis / PC for Arrest

(Include all elements of the crimes, date of violation, and location of crimes)

On 4/26/15 at approximately 0220 hours, I was dispatched with other Lake Stevens Officers to an assault at 9327 4<sup>th</sup> St NE (Razzals). Upon arrival, I saw Officer Wells pointing his taser at a white male (later identified as Chase Tucker) lying face down on the asphalt in the middle of the parking lot.

I detained Tucker in handcuffs and sat him up. I could see that Tucker had multiple bruises on his face and massive swelling around his eyes. Tucker appeared to be highly intoxicated and could not answer any of my questions without yelling profanities.

Sergeant Miner detained and handcuffed a white male (later identified as Anthony Holt) who had been fighting with Tucker.

Officer Wells went to contact the reporting party Michael Cornett. Officer Wells informed me that Cornett said Tucker had hit him and hurt him.

Aid took control of Tucker and I followed the aid car to the hospital. While enroute, Officer Wells informed me that Tucker had threatened to kill Cornett. Officer Wells said that Cornett took it seriously and started looking for a weapon to protect himself.

Sergeant Miner later informed me that Holt and Tucker are living in the same house and that Holt is in a relationship Tucker's cousin. Sergeant Miner said Tucker hit Holt in the face when Holt was pulling him away from Cornett. Sergeant Miner also said Tucker threatened to kill Holt's 18 month old daughter.

With the information given I believe Chase Tucker to have committed Felony Harassment, Assault 4' with Cornett as the victim and DV Assault 4' against Holt.

## NARRATIVE

AGENCY NAME <b>LAKE STEVENS POLICE DEPARTMENT</b>	INCIDENT CLASSIFICATION Felony Harassment/DV Assault 4'/Assault 4'	INCIDENT NUMBER 15-001068
NAME OF VICTIM(S) Cornett, Michael Holt, Anthony		

**NARRATIVE:**

On 4/26/15 at approximately 0220 hours, I was working as a general commissioned uniformed police officer for the City of Lake Stevens police department driving a marked police vehicle equipped with emergency lights and siren.

I was dispatched with other officers to an assault in progress at 9327 4<sup>th</sup> St NE (Razzals) in the city of Lake Stevens.

Upon arrival, I saw Officer Wells pointing his Taser at a white male (later identified as Chase Tucker) who was lying face down on the asphalt in the middle of the parking lot. There was another white male (later identified as Anthony Holt) sitting off to the left of Officer Wells with his hands on his head.

I detained and handcuffed Tucker and Sergeant Miner detained and handcuffed Holt. Officer Wells left the scene to make contact with the reporting party Michael Cornett who was assaulted.

I sat Tucker up and saw that his face had multiple bruises and massive swelling around his eyes. I tried to ask Tucker questions as to what happened and he would start yelling profanities and say he was "going to kill the little bitch". I asked Tucker if he had any identification and he stopped yelling long enough to tell me it was in his front left pocket. From the moment I sat Tucker up, I could smell the strong odor of intoxicants coming from his breath. Tucker appeared to be highly intoxicated. I couldn't see his eyes clearly with the swelling and blood in and around his eyes.

Aid arrived and started providing medical care on Tucker. Around this time Officer Wells returned to the scene and informed me he had PC for Assault 4' on Tucker for hitting Cornett with his fist.

I followed Aid to the hospital. While enroute, Officer Wells informed me that he had PC for Felony Harassment on Tucker. Officer Wells later told me that Tucker told Cornett he was going to kill him multiple times. Officer Wells said Cornett believed him and started to look for a weapon to protect himself.

Refer to Officer Wells' narrative for further information.

I was informed by the hospital staff that Tucker would not be cleared to book due to the possibility of multiple broken bones in his face. I was told that he would have 4 point restraints and would be sedated before care would start. I tried to interview Tucker. The only things Tucker would say is "if I hit someone then just kill me" and "I will fucking kill him". I asked him what he meant and he would just flip me off. Tucker continued to spin up by yelling profanities, then would calm down and start crying trying to remember what he did.

While at the hospital, I called Sergeant Miner with an update. Sergeant Miner told me that Tucker hit Holt in the face when Holt was pulling him away from Cornett. Sergeant Miner said Tucker also threatened to kill Holt's 18 month old daughter. Sergeant Miner also told me Tucker has been living with Holt for at least a month.

AGENCY NAME <b>LAKE STEVENS POLICE DEPARTMENT</b>	INCIDENT CLASSIFICATION <b>Felony Harassment Assault 4 DV Assault 4</b>	INCIDENT NUMBER <b>15-1068</b>
NAME OF VICTIM(S) <b>Cornett, Michael R Holt, Anthony</b>		

On 4/26/15 at approximately 0219, I was working as a general commissioned uniformed police officer for the City of Lake Stevens police department driving a marked police vehicle equipped with emergency lights and siren.

Multiple Lake Stevens police units were dispatched to Razzal's bar, located at 9327 4th St NE LKS, for an in-progress fight.

While enroute Dispatch advised the suspect was described as a 23-25 yo, white male adult, 602, 180 lbs, with short blond hair named 'Chase'. The reporting party and an assault victim (later positively identified as Michael Cornett) had fled to the Community Transit Center (9300 4th St NE) to the south of Razzal's.

Upon arrival at Razzal's I saw a white male adult with dark hair (later positively identified as Anthony Holt) straddled on top of another white male adult (later positively identified as Chase Tucker) that matched the assault suspects' description. I could see HOLT was trying to control TUCKER's hands. TUCKER was actively trying to punch HOLT.

I quickly got out of my vehicle, approached, yelled 'Police' and ordered HOLT to get off the other male. HOLT refused saying his cousin was trying to fight him. I drew my taser, turned it on and repeated my order adding that if he didn't follow my commands he would be shot with a taser. HOLT immediately complied.

As HOLT got off of TUCKER, he (TUCKER) tried to grab ahold of HOLT while screaming something to the effect of '...I'm going to kick your ass!'

I ordered TUCKER to remain on the ground. He refused and started to get up off the ground. I repeated my order and warned if he got up he would be shot with a taser. TUCKER was very slow to follow my commands but complied.

Due to the swelling on TUCKER's face and forehead I could see that he had been struck in the face multiple times. I requested Aid to stage.

HOLT slowly complied with my orders to get on the ground.

At about this time other LSPD Units began arriving on scene. Officer Kilroy detained TUCKER in handcuffs and Sgt. Miner detained HOLT in handcuffs. Once I was certain the scene was secure, I requested Aid for them.

Both HOLT and TUCKER admitted they are roommates.

For further information refer to Sgt. Miner and Officer Kilroy's respective narratives.

As Sgt. Miner and Officer Kilroy control of the scene I quickly drove to the Transit Center and contacted Michael Cornett DOB: 6/30/57. As I arrived I could see he had blood coming from a cut on the left side of his face around the jaw bone/ear area. CORNETT declined Aid.

He told me he had been at Razzal's when he met two other men. He said they began shooting pool and talking. He said the dark haired male knew a lot of the same people. He said everything was fine inside of the bar between him, the dark haired male (HOLT) and the blond haired male (TUCKER). He couldn't remember either of their names.

He continued when it was time to leave all three went outside. He said HOLT asked him for a cigarette which he gave him. He said when he started to get in his truck to leave when TUCKER rushed at him and sucker punched him in the side of his face. CORNETT told me that it was the hardest hit in the face he had ever had. He told me TUCKER stepped back and began yelling, "I'll kill you!"

CORNETT told me he took the threat very seriously considering TUCKER had just attacked him unprovoked and he seemed like he had gone crazy. CORNETT told me he began looking for a weapon to defend himself against the younger male.

He said HOLT stepped in and tried to get TUCKER to stop and get into his car when TUCKER punched HOLT in the face three times. CORNETT told me HOLT defended himself and took TUCKER to the ground. He said they ended up on the ground and continued to punch each other.

CORNETT said that he started to help HOLT but was told to back off as they were family. He said he backed off and went to the transit center. He called 911 after about 10 minutes of hearing continued fighting. CORNETT told me he wanted to press charges and agreed to write a statement.

We returned to where Sgt. Miner and Officer Kilroy and Fire/Aid were. I provided CORNETT victims statement forms and a writing pen.

While CORNETT was writing his statement I contacted HOLT. He told me a similar story as CORNETT's. He told me he didn't want to write a statement. He told me TUCKER had threatened to kill his (HOLT) 18 month old daughter and that was one of the reasons he took him to the ground.

At about this time Fire/Aid began transporting TUCKER to the hospital with Officer Kilroy following.

Sgt. Miner took pictures of the injuries to both CORNELL and HOLT.

Once CORNELL completed his statement I reviewed and signed it. I provided CORNELL my business card with the LSPD case number written on it. Once his questions were answered I cleared the scene.

NAME OF VICTIM(S)		

**Narrative**

At around 0219 hours on 4-26-15, we were dispatched to a fight at Razzals. We were informed that the caller, later identified as Victim Michael R. Cornett, was the victim of an assault at the bar and had fled to the Transit Center across the street. We were also informed that Cornett stated there were still 2 males fighting at the bar.

Upon my arrival at Razzals, I saw two male laying prone on the ground while Officer Wells was giving them verbal commands, covering them with his taser. While Officer Wells covered one male, later identified as Suspect Chase A. Tucker, Officer Kilroy placed him in handcuffs. At the same time, I placed the second male, later identified as Victim Anthony L. Holt, in handcuffs. Once the two males were secured in handcuffs, Officer Wells responded to the Transit Center to speak with Victim Cornett.

I escorted Victim Holt to my patrol car where he was secured in the backseat. I advised Holt that he was not under arrest at this time, but he was being detained pending the investigation. He stated he understood and was very compliant. Once he was secured in my car, I went back to Officer Kilroy who was with Suspect Tucker. I noticed that Tucker had a large amount of blood on his face and on the ground around him. Tucker was screaming and not in control of himself. While I stood next to him, I could smell a strong odor of alcohol coming from his person. Tucker continued to scream while Officer Kilroy attempted to keep him calm. An AID car was requested to respond and treat him for his injuries. Once the AID car had arrived, I left Officer Kilroy with Tucker and went back to my car to speak with Holt. Tucker was later transported to the hospital by AID and Officer Kilroy followed. Please refer to Officer Kilroy's report for further information pertaining to Tucker.

I again informed Holt that he was not under arrest, but was only detained until we found out what had occurred. Holt stated he understood. I also informed Holt that since he was secured in cuffs and in the back of my car, I was going to inform him of his rights. I informed Holt of his Miranda Rights to which he stated he understood them. He stated he was willing to speak with me now without having a lawyer present. It should be noted that while I spoke with Holt, I could smell the odor of alcohol coming from his person. He was intoxicated, but not to the extent that he could not communicate or understand what was occurring.

I learned from Holt that Tucker is the cousin of his live in girlfriend. I also learned that Tucker moved here from Texas and has been residing in his home for the past six months, making them roommates. I asked Holt what had occurred this evening. Holt stated he took Tucker to Razzals for a few drinks. He said Tucker became very intoxicated and was becoming out of control. They left the bar and Tucker told him that he wanted to fight someone. Holt told him that he was not going to do that and to get into the car so he could take him home.

Nearby in the parking lot was Victim Cornett, whom they had met inside the bar. Holt said that Tucker charged at Cornett and punched him in the head. He ran to them and pulled Tucker off of Cornett and tried to calm him down. He said Tucker was threatening to kill Cornett, so he tried to get him into his car. While trying to do so, Tucker turned and punched Holt in the left side of his face. To defend himself, Holt said he then began to punch Tucker. He believes he punched him about 3 or 4 times, but cannot be sure. When he stopped hitting him, Tucker tried to go after Cornett again, but Holt stopped him. Tucker again turned his aggression back on him saying he

was going to kill his 18 month old daughter. Again, Tucker came at him, so Holt began hitting him again. At some point, Tucker fell to the ground so he got on top of him to pin him down. Hold tried to talk Tucker down, but it was not working for he kept screaming and making further threats of assault. While Holt was holding Tucker down, Officer Wells arrived and made them both lay face down on the ground.

I asked if he was injured and Holt stated the left side of his face hurt. He also stated he may have a loose tooth as a result of the assault. I could see that Holt had blood on the inside of his mouth and redness on the left side of his face. Holt stated that he tried to get Tucker calmed down and into the car, but he would not listen. It should be noted that during my entire conversation with Holt, I could still hear Tucker yelling and screaming.

I asked Holt if he was willing to fill out a witness statement about what happened and he said he would not. He did say that he did not want Tucker to get into trouble, but would testify if he had to. I took photographs of Holt's face. I also took photographs of Cornetts' face. I later printed these photos and added them to this report. I also paced copies of the photos onto a CD which I booked into evidence. Once we were don't with Holt, I gave him a ride home, for he was too impaired to drive himself home. I spoke with Officer Wells concerning Cornett's statement, and was given the same story that Holt had provided. Please refer to Officer Wells' narrative for further information.

Once at the hospital, Officer Kilroy called me on the phone to give me an update on Tucker's condition. He told me that Tucker may have a couple of fractures in his face near his eye sockets. He also told me that Tucker was out of control at the hospital, needed to be 4 pointed to his bed. Officer Kilroy told me that the hospital staff stated they would not be giving Tucker a clear to book due to his injuries. I informed him to go ahead and leave Tucker in the care of the hospital staff after interviewing him, if possible. Please refer to Officer Kilory's report for further information.

Chase  
Blond guy assaulted me. My friend tried to stop him, restrain him and take him home. Nothing was working my friend got hit by Chase 3x so he took him down. Chase would not stop so my friend started hitting him. Chase still would not stop!! I stepped in trying to restrain Chase's arms so he couldn't continue to swing @ my friends. My friend said "stay out of it, he's my family" so I backed off & walked to the transit area. From the transit area I heard the struggle continue for over 10 minutes so I called 911.

After Blond Guy (Chase) was beating on the hood of my Honda Pilot I told that's mine stop it, he walked away then ran @ me & sucker punched me, ran away then started yelling "I'll kill You" so my friend stepped in to take care of his passenger (Chase). I took the threat very seriously & started checking for weapons!!!
